CHICAGO (AP) - The Rev. Jesse Jackson demanded an apology Thursday from the director of the Central Intelligence Agency and asked for an investigation of how a secret CIA memo labeling him a Libyan agent was leaked to the news media.

''I am demanding an apology from CIA Director Stansfield Turner; an explanation from National Security Adviser Zbigniew Brzezinski; and an investigation by the U.S. Justice Department and a copy of the memo'' containing the accusations that Jackson is a Libyan agent; Jackson said.

Jackson was referring to a memo published in the Atlanta Constitution earlier this week. The memo; passed from Turner to Brzezinski last March 31; claimed that both Jackson and President Carter's brother Billy were special oil brokers for Libya.

There was no immediate comment from Turner; Brzezinski or the Justice Department.

Jackson made the demands at a news conference at the headquarters of Operation Push - People United to Save Humanity; the Chicago-based civil rights organization of which he is president. Mayor Richard G. Hatcher of Gary; Ind.; and about a dozen black civic and union leaders also were present.

Jackson said the memo was ''totally without foundation;''

''I am not an agent of Libya or any foreign government or this government. I am an advocate of black business;'' he said.

Jackson acknowledged that he wrote a letter to the Libyan Embassy in Washington; encouraging Libya to do business with Wallace Oil Co.; a black-owned firm. But; he said; ''Wallace Oil Company has a right to do business with Libya just like Exxon and Texaco.

''American companies do $4 billion worth of business with Libya; and black Americans will not be intimidated'' from competing for that market; he said.
